

# Win The War Against Deposits With Air Superiority

DO THE JOB WET OR DRY, WITH NO ELECTRICITY REQUIRED.

## AWT-100X – Air Powered Performance

The AWT-100X has power and versatility to clean virtually any tube or pipe in either wet or dry modes. You control the speed and torque of the unit's flexible shaft to suit your application. A variety of cleaning tools are available for the different kinds of deposits you face. It is equally effective in both wet and dry configurations. (See pages 56-57 for details on the Dry Pickup Attachment and Vacuum.) For superior air-powered technology that handles all your tough cleaning applications, this unit will blow you away.

### AWT-100X
